

NASCO's 2024 Roundtable was a huge success. The event was held at the Ritz Carlton in Fort Lauderdale with about 65 private security executives attending along with many other industry leaders and presenters. The Roundtable agenda featured a wide mix of presentations on subjects ranging from industry and market analysis, labor and employment developments, federal and state updates, and a discussion of the American political scene. The agenda also included a Legal Forum where we did a deep dive on premises liability laws and legislation.
